Dear Yasmine,

You have been really helpful to me in finding a business and walking me through the whole process. As you know, I am buying a business for the first time and you helped me so much and I am so thankful for that. I think you are the best in your business. I think I found my broker for life. I will give you any business I can in the future and I would work with VR Business Brokers again. Lots of people told me that it's a nightmare to buy a business, but luckily I didn't have to go through that much because of you. I am thankful to you from the bottom of my heart. Keep doing the best and best of luck in everything. God bless you.

Thanks,
