Mr. Malek Jandali, MBA
VR Mergers & Acquisitions Atlanta
11330 Lakefield Drive, Suite 200

To Whom It May Concern:

My name is Larry Attig. I started an upscale flower shop business in Alpharetta, Georgia in 1980. After 25 years, I became very interested in selling my business and Malek Jandali was recommended to me as someone who would be able to establish a fair market value for my business, and as an ethical and very capable business broker.

I listed the Business with **VR Business Brokers Atlanta** on April 21, 2006. We completed the sale of my business on August 1st of 2006 and I felt confident the entire way through the process that I was in capable and trustworthy hands.

Over our time together I have grown to know Malek as more than a trustworthy business broker. He has become a caring and dear friend. He also makes time to be enthusiastically and energetically involved in the community on many levels. He was a delight to work with, and I continue to value his business acumen and his friendship. From the minute you meet Malek, he sets you at ease and easily builds trust and respect alike. Individuals who choose to work with him receive the best possible service. You won't be disappointed!

I can unequivocally recommend Malek Jandali as a true professional and friend.

Sincerely yours,

Larry L. Attig, *President & CEO*
