Dear Yasmine:

I want to express sincere thanks for your manner and professionalism in handling the sale of my company. This type of transaction, as you know, is very difficult, emotional and disconcerting. The entire process took less than six months to complete. You and your staff always made us feel confidence that we were in good hands with your assistance and direction.

I am thrilled with the buyer, and it appears to be a "perfect fit". I feel very fortunate that VR handled this transaction professionally and courteously. Your experience was evident at every step of the way, and I will highly recommend VR Mergers & Acquisitions to all.

Thank you also for the opportunity to take my life in a new direction with confidence that Swan Landscape will prosper with the new owner.

Regards,
