Dear VR Atlanta,

I just wanted to write and tell you what a great job you and your firm did for me. It is hard to believe that in less than two months you found a buyer and closed the deal. In the past I have had dealings with other business brokers. Your company is worlds apart from those guys. You have a plan, you implement it, and it works.

I was pleased with the activity from the start. I truly like the way VR Atlanta conducts business. You not only brought buyers to our facility on a regular basis, but once the contract was negotiated, you made the process extremely hassle-free and easy. You kept us informed every step of the way and lead us through all the necessary steps to make for an easy closing. In the event that you need a reference, I will be happy to recommend your company.

Kindest regards,

Rob Curry, *President & CEO*
