Dear Yasmine,

I would like to take this opportunity to thank you for introducing me to John Longhill and Swan Landscape. The company was just what I was looking for in all respects, including growth potential, reputation, price, and owner financing.

As you already know, the transaction could not have gone smoother with closing taking place only weeks after you first presented the company to me. The professional manner in which you and your staff performed throughout the process was both appreciated and refreshing. I look forward to continuing to work with you in the future.

Sincerely yours,
